

McCloskey R105

Year: 2015
Engine Hours: 2,870
CAT 4.4 130hp Diesel

Details

The R105 offers the highest stockpile and largest screening area in its class, while meeting the European transport regulation width. Built around McCloskey's highly productive High Energy Screenbox, the R105 features all the class leading features of its bigger brothers, such as high quality components, durability and reliability, in a compact, easily transportable solution.
