

McCloskey J35

Year: 2022

Hours: 85

Volvo D5 Stage V 218hp

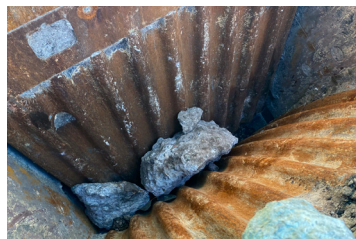

Details

Perfect for projects with small footprints but big requirements, the J35 is suited to construction and demolition recycling, asphalt recycling and aggregates. Able to move nimbly around in small spaces, and crush while moving, these crushers can easily be transported from site to site at less than 2.5m wide.
